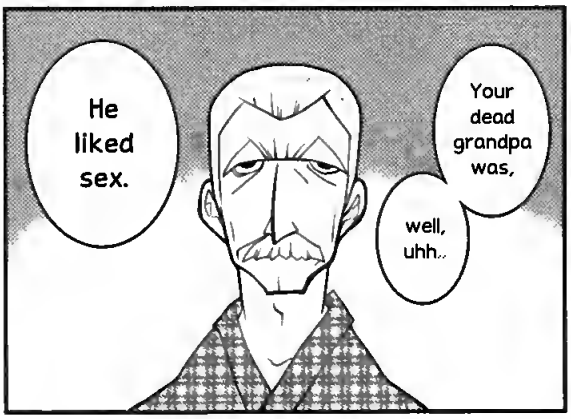
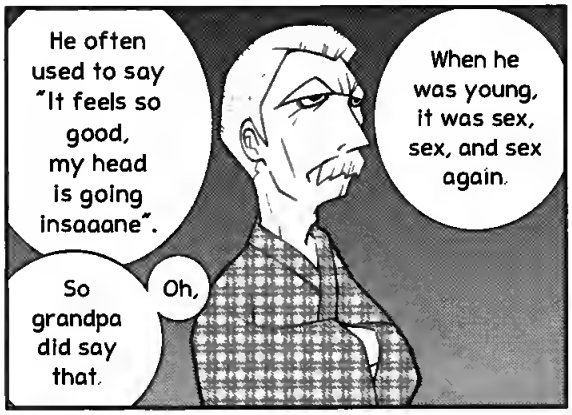
Old Story

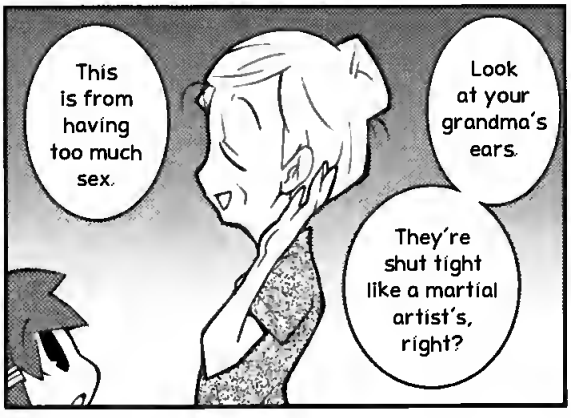
Let me see.
Hey, tell me about grandpa.



He liked sex.
Your dead grandpa was,
well, uhh..



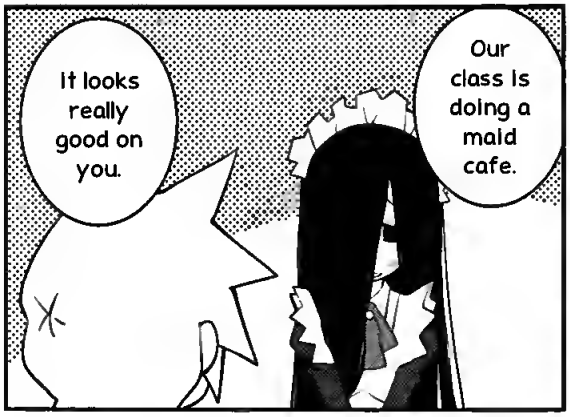
He often used to say "It feels so good, my head is going insaaane".
When he was young, it was sex, sex, and sex again.
Oh,
So grandpa did say that.



This is from having too much sex.
Look at your grandma's ears.
They're shut tight like a martial artist's, right?

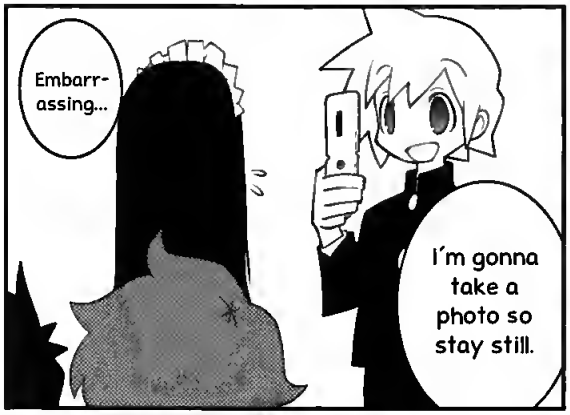
Este é um paraíso de um instinto sexual!
IX

Our program for the cultural festival this year will be 'Standing still for 30 minutes with semen in our mouths'.
That's all. We have reached a majority decision.
파파파파



It looks really good on you.
Our class is doing a maid cafe.

And yet I'm still like this.
So the cultural festival is starting today.

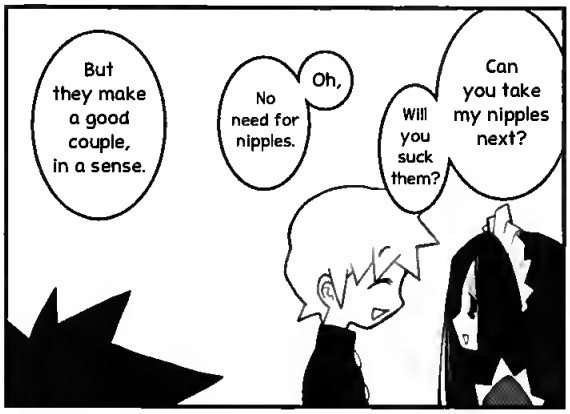


Embarr-assing...
I'm gonna take a photo so stay still.

Bring me something!!
Hey, I'm a bit hungry.

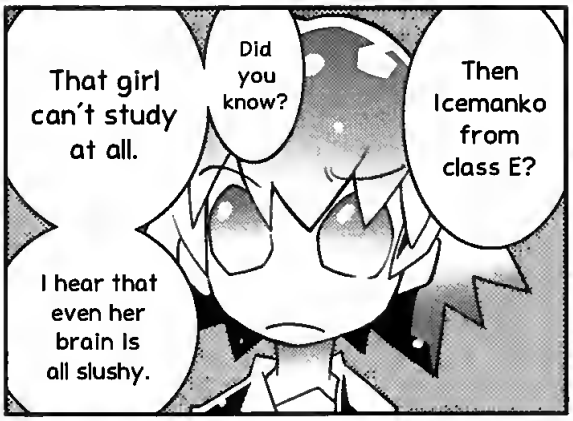
It's really frustrating when yau become sameone's own...
She was so disgusting when she was wooing me.

Matsu-take...?
Is this...?
ゴロゴロ



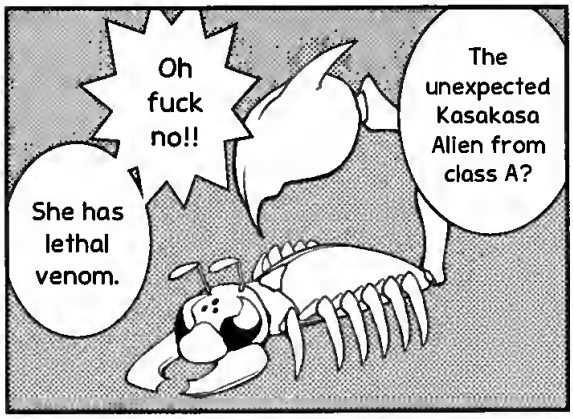
But they make a good couple, in a sense.
Oh, No need for nipples.
Will you suck them?
Can you take my nipples next?

It means my lower mouth is begging for the fall of hunger!!
The sensation of fall!
You're deflowering me with the sensation of fall!?

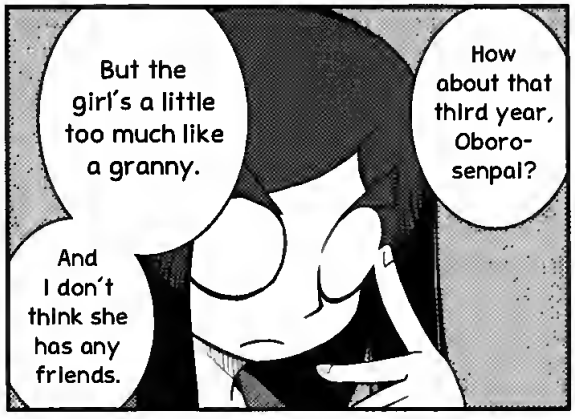


That girl can't study at all.
Did you know?
Then Icemanko from class E?
I hear that even her brain is all slushy.

Uhh, let's see.
Who are you voting for in the beauty contest?
Hey, hey,
おでん

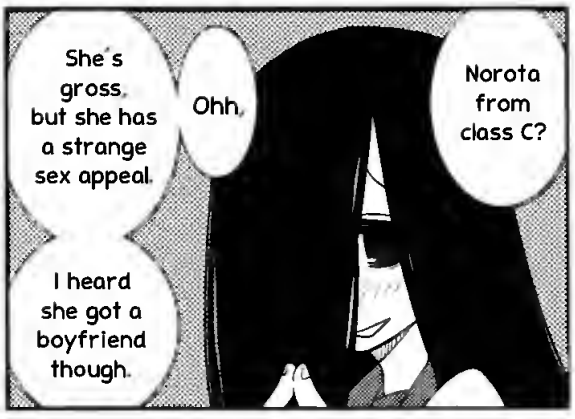


Oh fuck no!!
The unexpected Kasakasa Alien from class A?
She has lethal venom.



But the girl's a little too much like a granny.
How about that third year, Oboro-senpai?
And I don't think she has any friends.

If you get her angry, she'll destroy the world or something.
Then the dark horse, the modern Japanese teacher Nyarlatho-sensei.

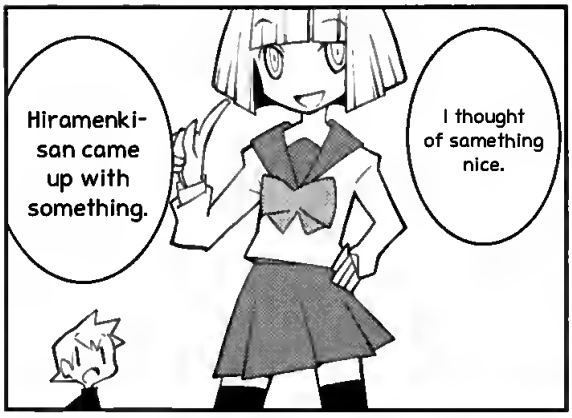


She's gross, but she has a strange sex appeal.
Ohh,
Norota from class C?
I heard she got a boyfriend though.

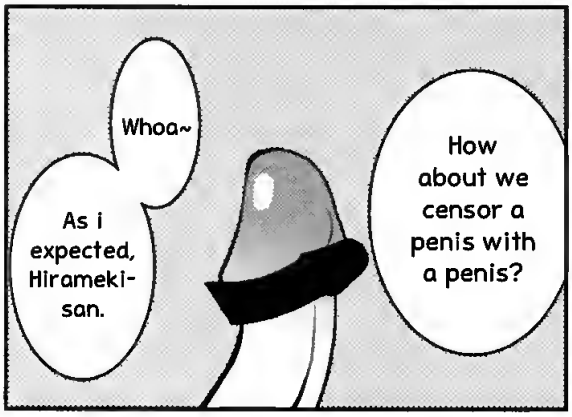
Kasakasa Alien!
AGH!
Your ankles!
Hey,

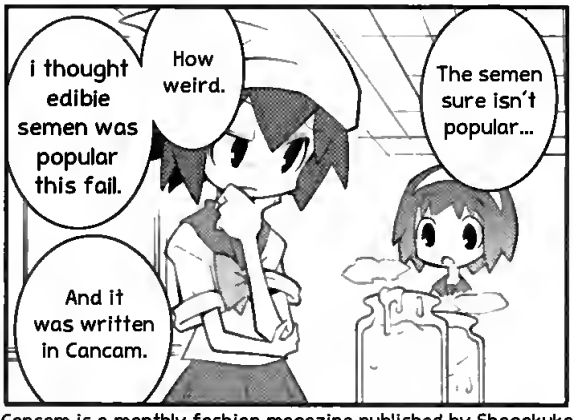
Well yeah,
Then the first year, Haruka.
Full nudity's a little too...

Hirameki-san

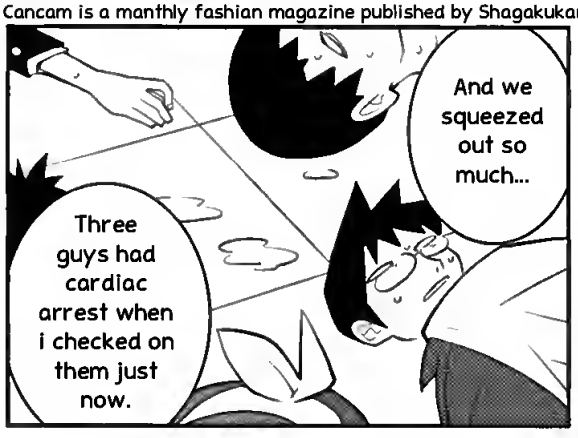


Takoyaki



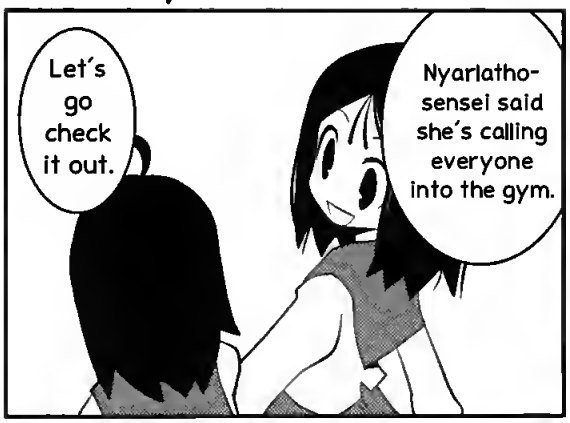


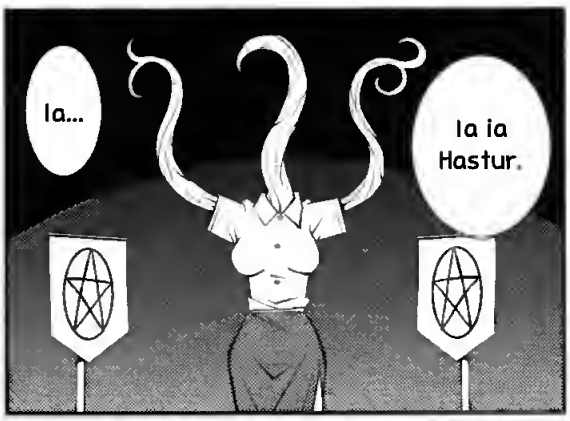
TN: Cancam is a manthly fashian magazine published by Shagakukan.

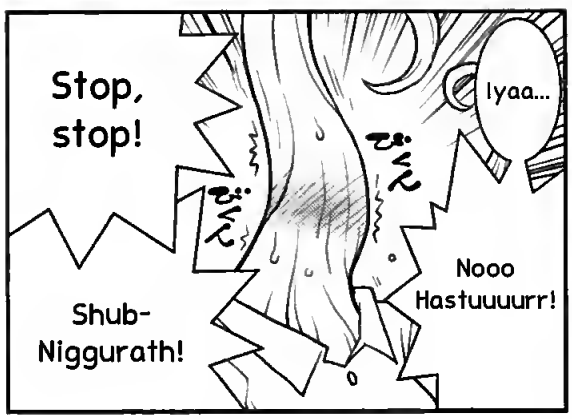


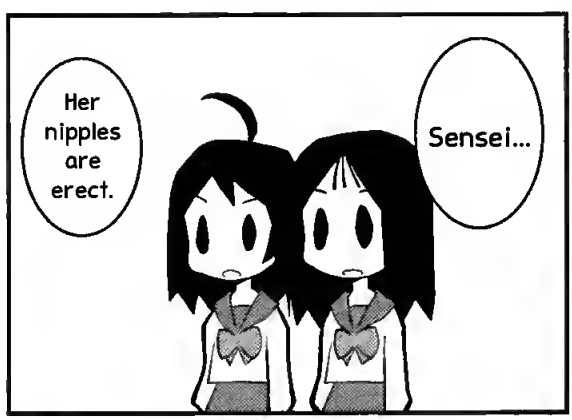
Dicks... can be used all up. It feels like having false phimasis all over yaur bady.

Ceremony

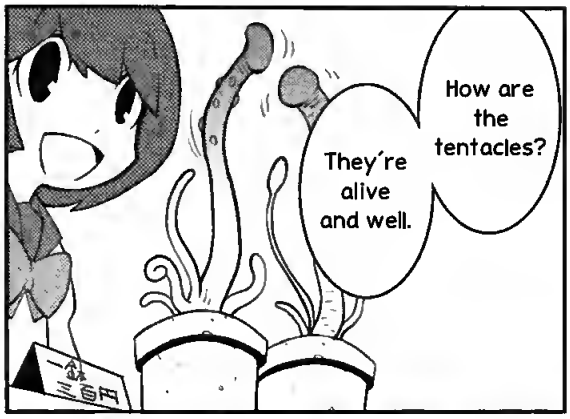


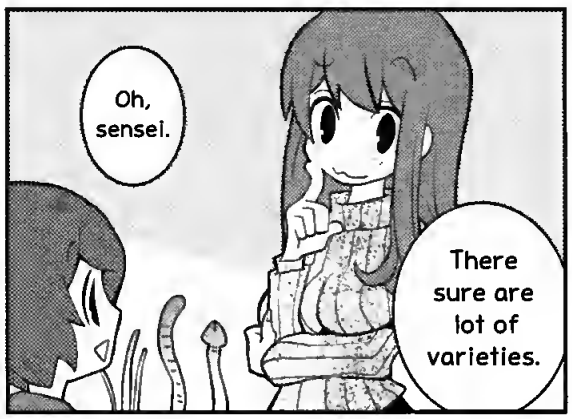


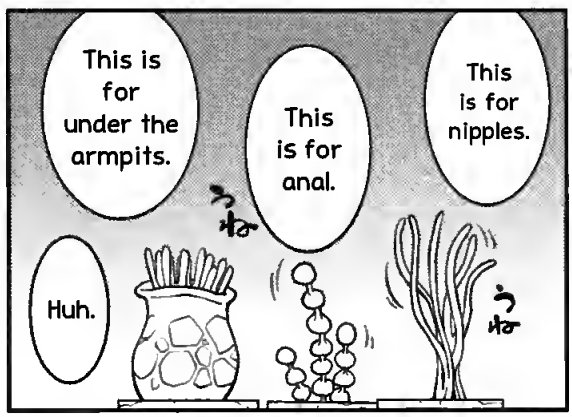


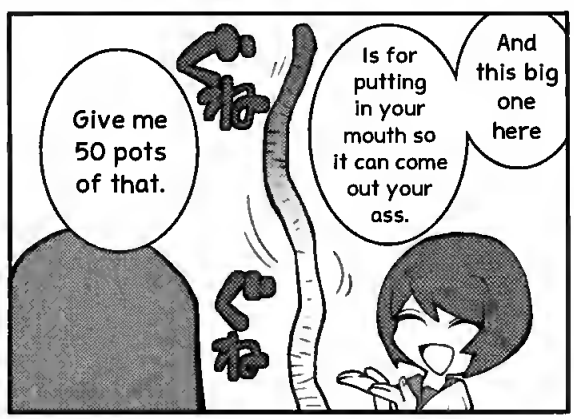


Biology Club

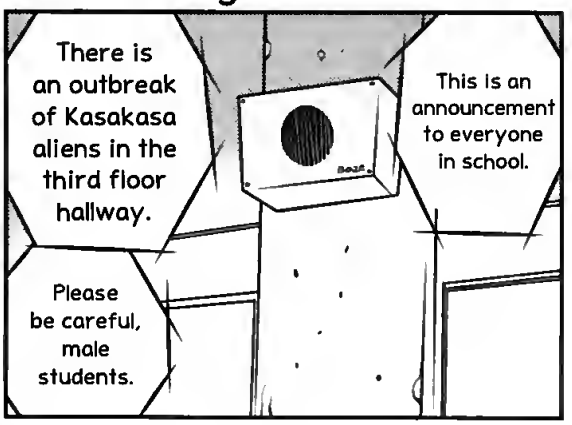




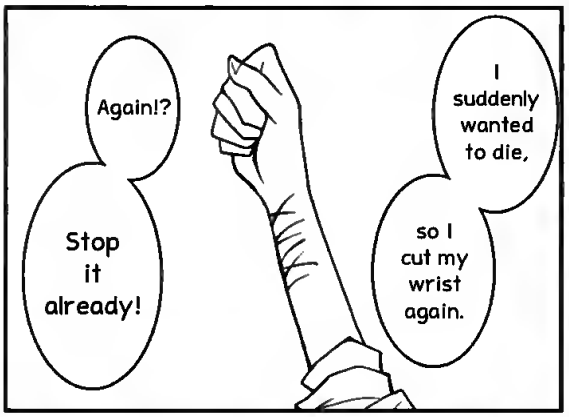


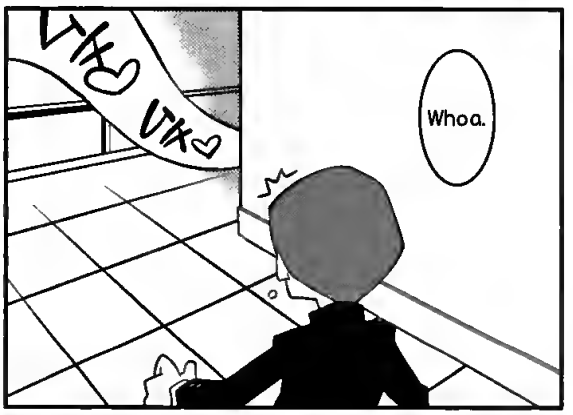


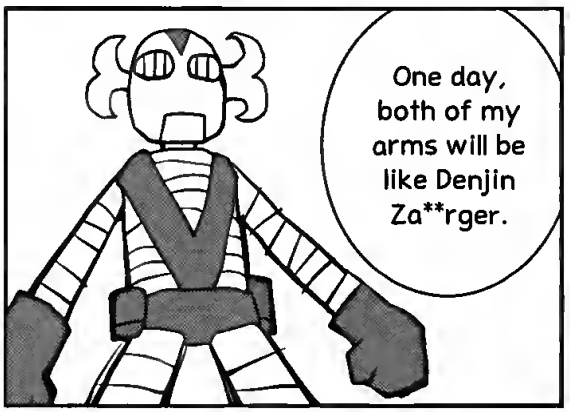
I bought some takoyaki.
Kona-chaaan.
Urine spiral...
U-urine.
Here, yours is full of semen, Kona-chan.
Was that neces-sary!?
Calm down and tell me one more time, so I can understand you.
So you saw some-thing.
.....
S-sorry.
I don't need this!!
Why am I the only one!?
I told you over and over,
I thought you loved semen, ☆ Kona-chan... ♡
I was so sure.
Not to say my name!!
So you really don't know!?
Ninja art: Urine Spiral!



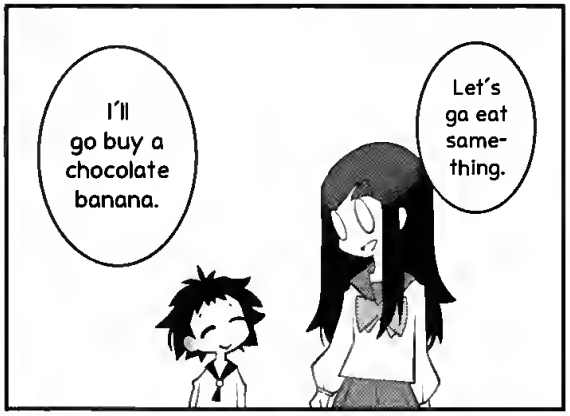
There is an outbreak of Kasakasa aliens in the third floor hallway.
This is an announcement to everyone in school.
Please be careful, male students.

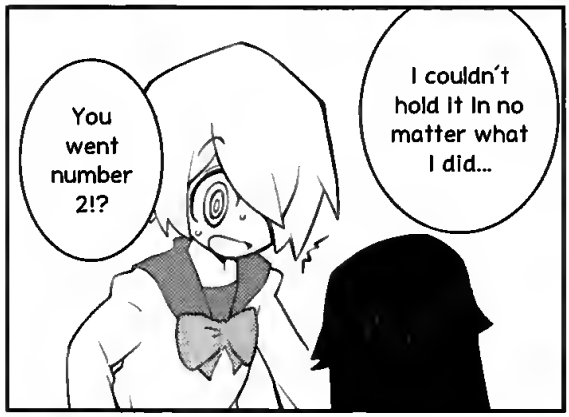


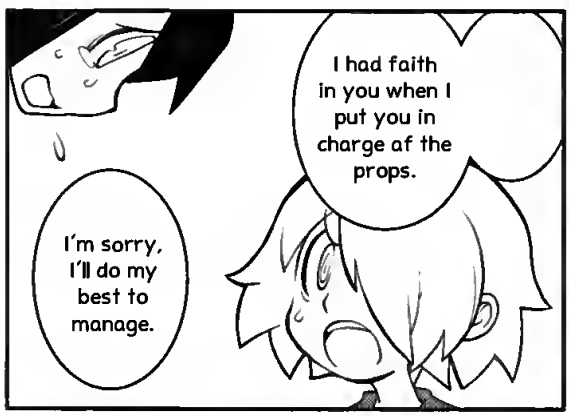




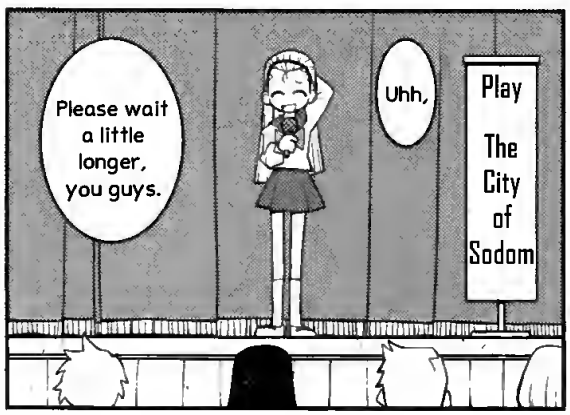
TN: Denjin Zaborger, a toku show from 1974.

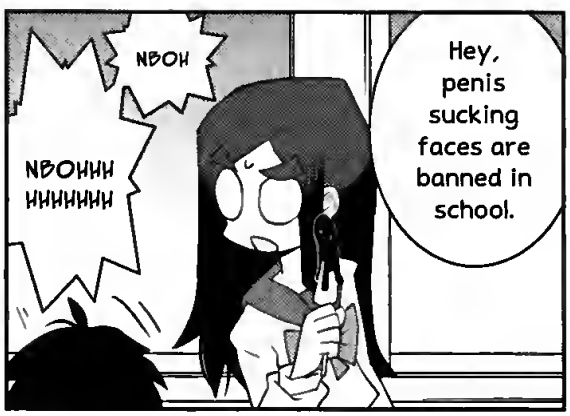




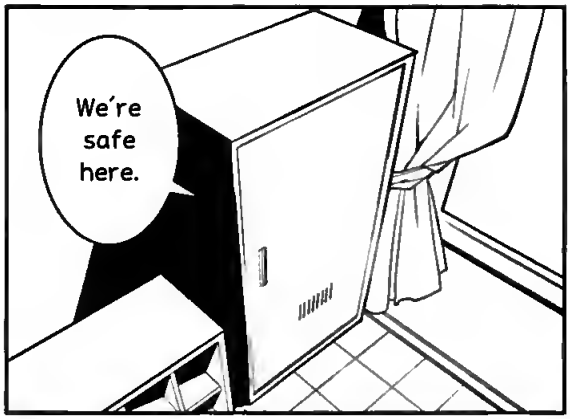


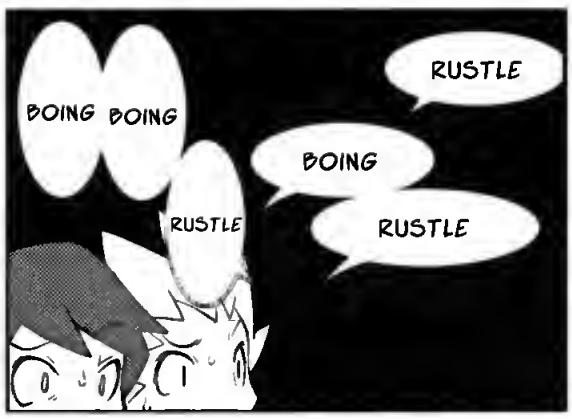
Chacalate bananas... an item maidens eat when thinking about their belaved men. The tips are fat.

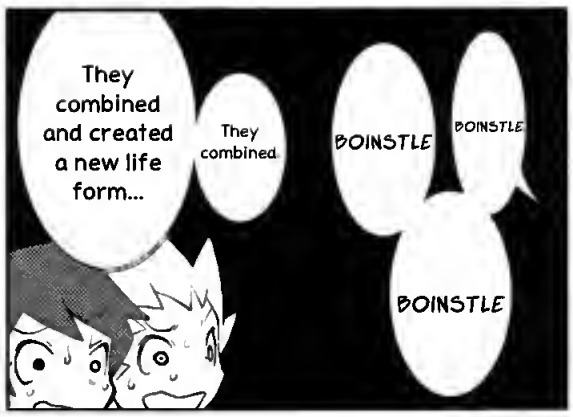




Locker



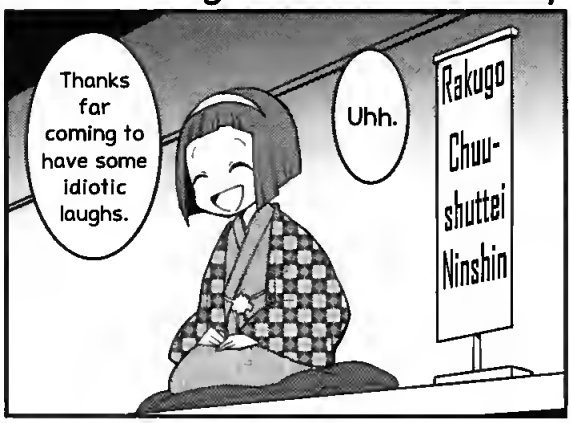


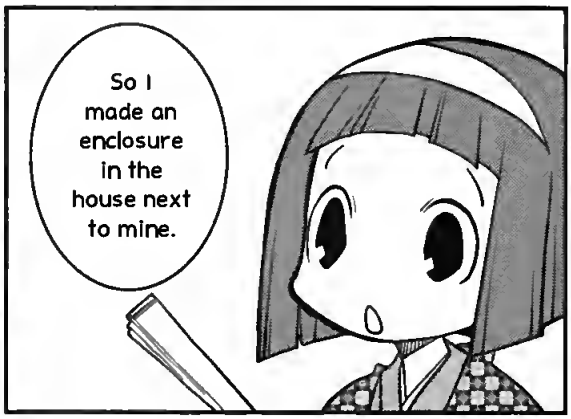


Nudity Club

Byouta-san 2

Rakugo Research Society

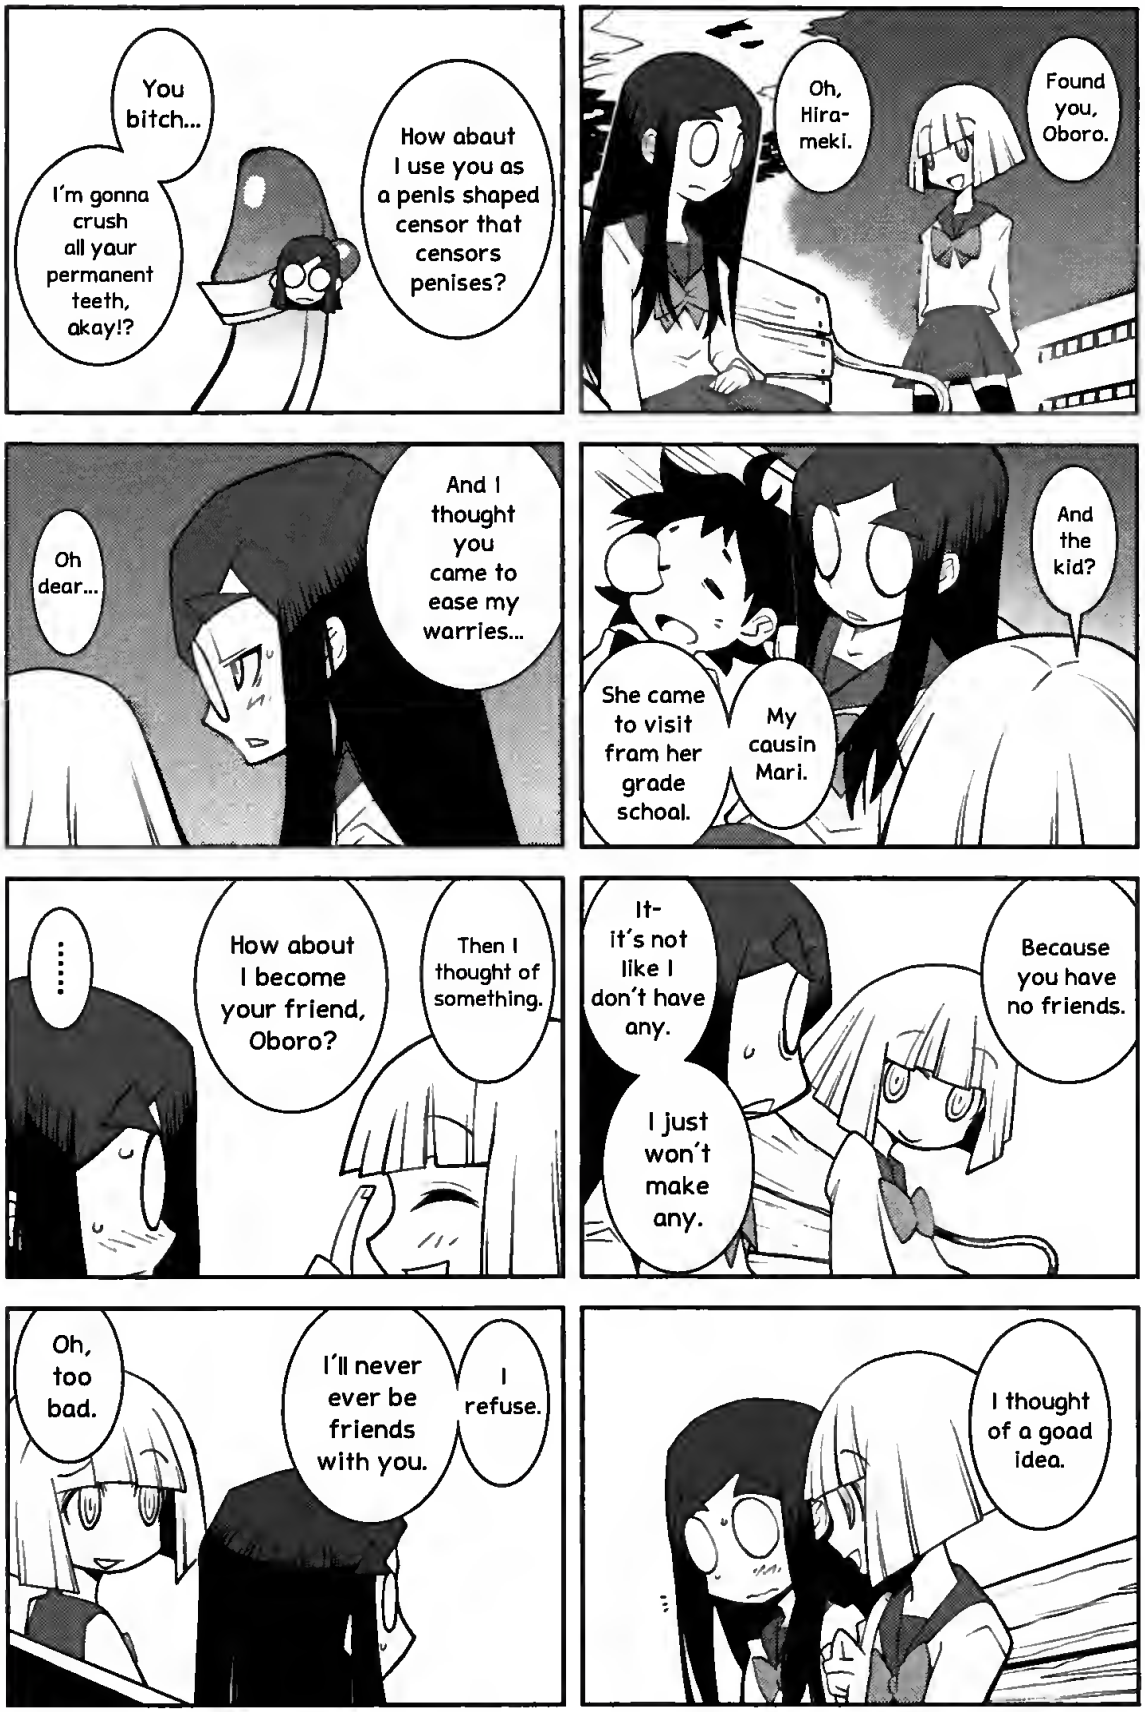




TN: I used the on reading of 中出亭 since 妊娠 is also in its on reading. 亭 is just a pseudanym suffix, so excluding that part, the name means "intravaginal pregnancy.

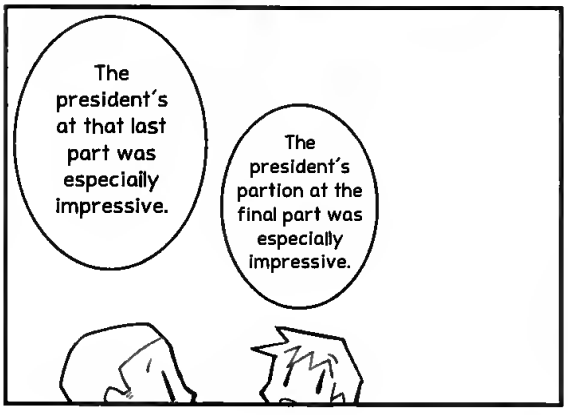
intravaginal... Onii-chan don't cum inside my vagina!!

TN: In Japanese, it's a similar pronunciation from へい (塀 (hei) - wall) to へえ (hee - well)



You bitch...
I'm gonna crush all yaur permanent teeth, akay!?
How abaut I use you as a penis shaped censor that censors penises?
Oh, Hira-meki.
Found you, Oboro.
Oh dear...
And I thought you came to ease my warries...
And the kid?
She came to visit fram her grade schoal.
My causin Mari.
.....
How about I become your friend, Oboro?
Then I thought of something.
It- it's not like I don't have any.
Because you have no friends.
I just won't make any.
Oh, too bad.
I'll never ever be friends with you.
I refuse.
I thought of a goad idea.

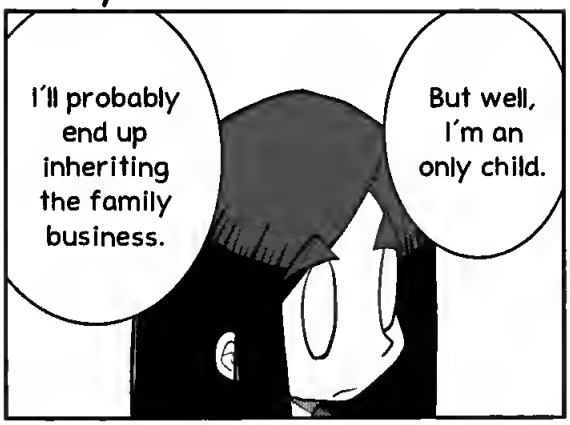
As a result, the play was a great success.



The president's at that last part was especially impressive.
The president's partion at the final part was especially impressive.

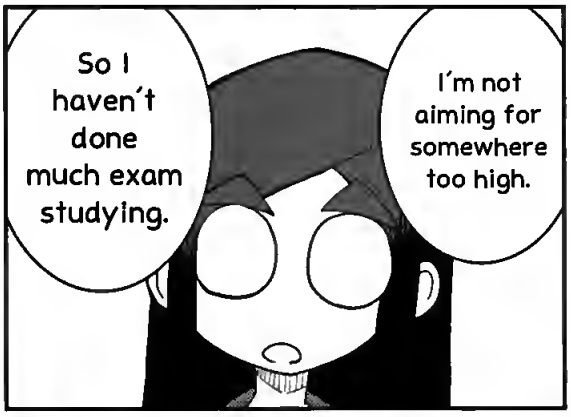
TN: Bubka is a general magazine published by Byakuya Shoba. It usually focuses on Japanese sub-cultures, particularly idols.

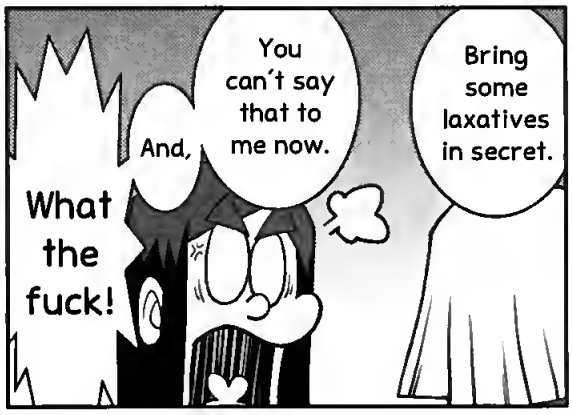
Family Business



TN: A manga that ran from 1977 to 1987 abaut a kid who was amazing at pranking despite his lack of intellect.

Going To University

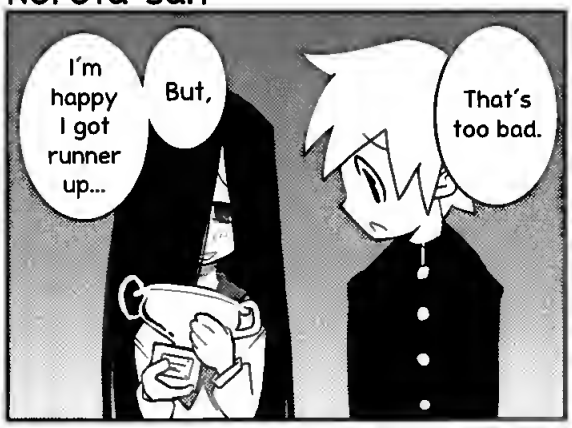


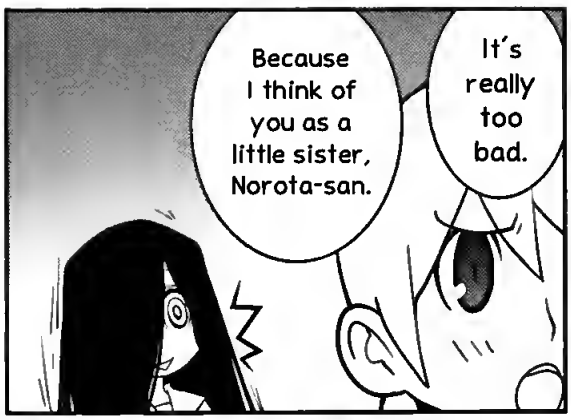


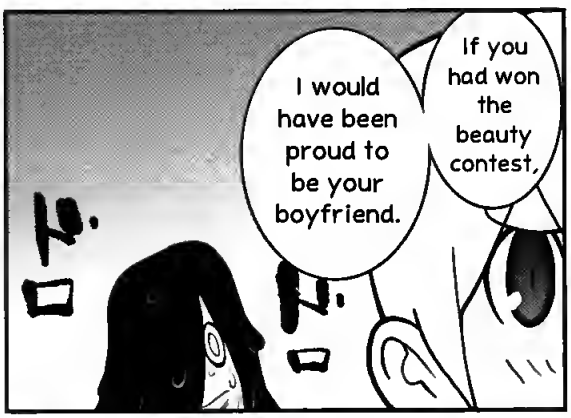
TN: Koji is a type of mold notable for its sweet fragrance. it's used in fermentation, such as for sake or pickles.

Hey, that was sudden.
Oboro, you haven't seen a penis before, have you.
Now the balls are on top.
Sorry, I reversed it.
Then sketch it and show me.
Even I've seen a penis before.
I-
SKETCH
I see them everyday, from morning to night, and watch them for 30 minutes after I eat.
Penises are common everyday things.
キュ
キュ
Me too.
I have actually never seen a penis before.
That's a malden penis there.
The trim is reversed.
There we go.

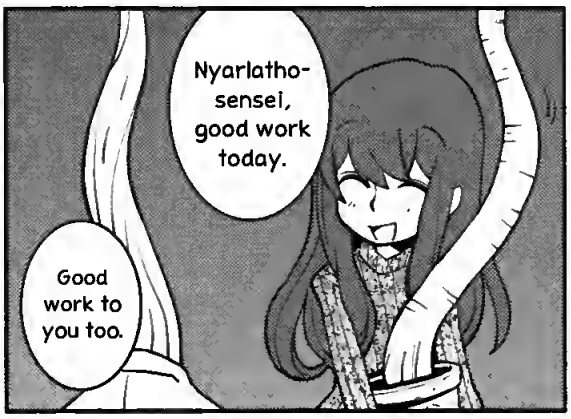
Norota-san

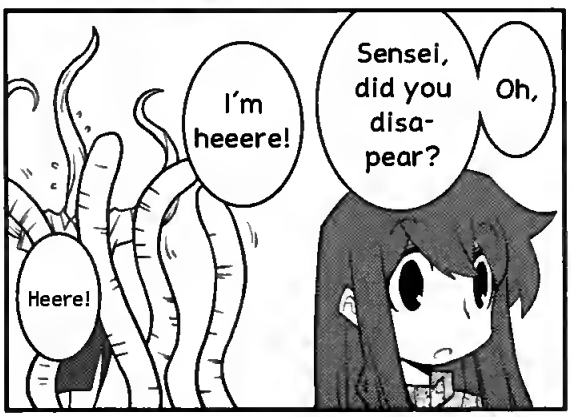






On The Way Home

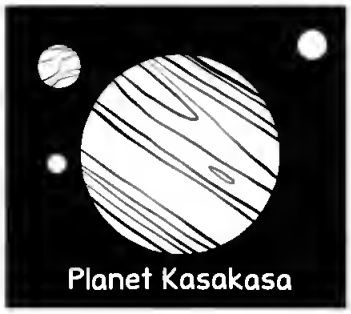




HERE'S THE WINNER!

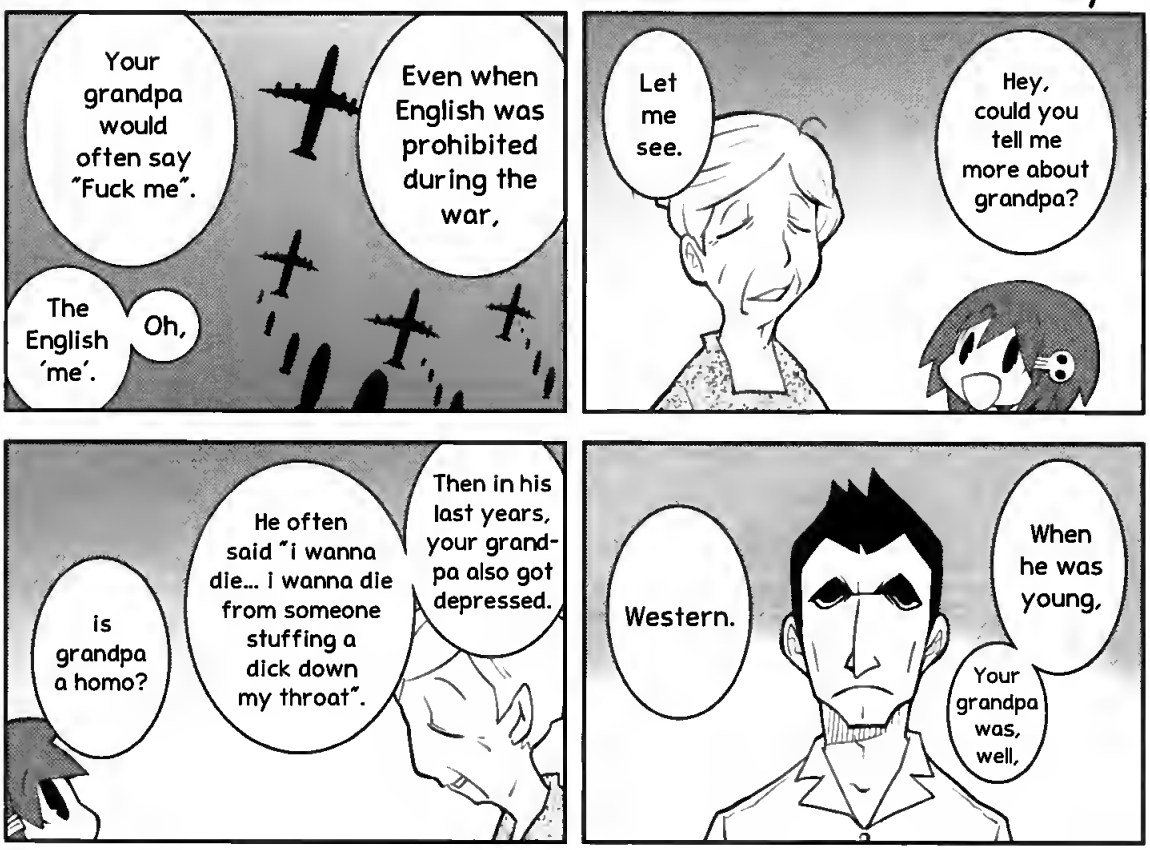
Kasakasa Alien!

She's gonna thrust it in with her powerful technique, the Ninja Urine Spiral



*Male students who happen upon her should take speedy refuge

Old Story 2



Your grandpa would often say "Fuck me".
Even when English was prohibited during the war,
The English 'me'.
Oh,
Let me see.
Hey, could you tell me more about grandpa?
is grandpa a homo?
He often said "i wanna die... i wanna die from someone stuffing a dick down my throat".
Then in his last years, your grandpa also got depressed.
Western.
When he was young,
Your grandpa was, well,
